§ 8.29 Homeownership programs (sections 235(i) and 235(j), Turnkey III and Indian housing mutual self-help programs).

Any housing units newly constructed or rehabilitated for purchase or single family (including semi-attached and attached) units to be constructed or rehabilitated in a program or activity receiving Federal financial assistance shall be made accessible upon request of the prospective buyer if the nature of the handicap of an expected occupant so requires. In such case, the buyer shall consult with the seller or builder/sponsor regarding the specific design features to be provided. If accessibility features selected at the option of the homebuyer are ones covered by the standards prescribed by § 8.32, those features shall comply with the standards prescribed in § 8.32. The buyer shall be permitted to depart from particular specifications of these standards in order to accommodate his or her specific handicap. The cost of making a facility accessible under this paragraph may be included in the mortgage amount within the allowable mortgage limits, where applicable. To the extent such costs exceed allowable mortgage limits, they may be passed on to the prospective homebuyer, subject to maximum sales price limitations (see 24 CFR 235.320.)

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being made readily accessible to and usable by individuals with handicaps.

plies the requirements of § 4.1.7 of the standards of § 8.32 of this part shall apply, except in the case of the Urban Development Action Grant (UDAG) program. In the UDAG program the requirements of 36 CFR part 801 shall apply. Accessibility to historic properties subject to alterations need not be provided if such accessibility would substantially impair the significant historic features of the property or result in undue financial and administrative burdens.

§ 8.32 Accessibility standards.

(a) Effective as of July 11, 1988, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) shall be deemed to comply with the requirements of §§ 8.21, 8.22, 8.23, and 8.25 with respect to those buildings. Departures from particular technical and scoping requirements of the UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided. The alteration of housing facilities shall also be in conformance with additional scoping requirements contained in this part. Persons interested in obtaining a copy of the UFAS are directed to § 40.7 of this title.

(b) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of individuals with physical handicaps.

(c) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) For purposes of this section, section 4.1.4(11) of UFAS may not be used to waive or lower the minimum of five percent accessible units required by § 8.22(b) or to apply the minimum only to projects of 15 or more dwelling units.

(e) Except as otherwise provided in this paragraph, the provisions of §§ 8.21 (a) and (b), 8.22 (a) and (b), 8.23, 8.25(a)

(1) and (2), and 8.29 shall apply to facilities that are designed, constructed or altered after July 11, 1988. If the design of a facility was commenced before July 11, 1988, the provisions shall be followed to the maximum extent practicable, as determined by the Department. For purposes of this paragraph, the date a facility is constructed or altered shall be deemed to be the date bids for the construction or alteration of the facility are solicited. For purposes of the Urban Development Action Grant (UDAG) program, the provisions shall apply to the construction or alteration of facilities that are funded under applications submitted after July 11, 1988. If the UDAG application was submitted before July 11, 1988, the provisions shall apply, to the maximum extent practicable, as determined by the Department.

§ 8.33 Housing adjustments.

A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient's federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.
